

HELP PREVENT THE SPREAD OF ILLNESS

BROUGHT TO YOU BY W&L STUDENT HEALTH CENTER

Wash your hands often for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose

Avoid close contact with people who are sick, and stay home when you are sick

Avoid touching your eyes, nose, and mouth

Cover your cough or sneeze with a tissue

Disinfect objects and surfaces using a regular household cleaning spray or wipes

Do not wear a face mask if you are healthy; wear a mask only if you have symptoms or are caring for those with symptoms
