COURSES TAUGHT:

Foundations of Entrepreneurship and Business (W&L)
Technology and Entrepreneurship (spring term, travel course) (W&L)
Capstone Entrepreneurship (senior capstone course) (W&L)
Foundations of Management and Entrepreneurship (W&L)
Cornerstones of Entrepreneurship and Innovation (VT)
Introduction to Entrepreneurship (VT)
Managing Technology Commercialization (VT)
Innovation, Technology and Entrepreneurial Leadership (VT)
Entrepreneurial Residential Experience (VT)
Business Policy and Strategy (VT)
Entrepreneurship: Creating New Ventures (UM, MBA)
Introduction to Entrepreneurship (UM)
Organization and Operation of the Small Business (UM)

INSTRUCTIONAL INNOVATION AND DEVELOPMENT:

Designed and developed, from scratch, a new W&L course in Entrepreneurial Finance (BUS 308A) approved through C&D in 2020, accepted for inclusion in entrepreneurship minor.

Relaunched foundations course as BUS 160 – Foundations of Entrepreneurship and Business in 2019 specifically for new entrepreneurship minor at W&L.

Contributed substantially to the development and early execution of new entrepreneurship minor at Washington and Lee University, open to non-business majors 2018-2020.

At Washington and Lee University, redeveloped BUS 195A – Foundations of Management and Entrepreneurship, in 2017 to orient toward an entrepreneurship foundation focus for both non-business majors as well as pre-business first year students, open to all students.

Working closely, as the lead faculty from the Pamplin College of Business, with the College of Engineering and College of Architecture and Urban Planning, among other departments and colleges, in 2016-2017 to create a new Innovation Pathways Minor as part of the new general education plan at Virginia Tech (to roll out in 2018).

Developed new interdisciplinary course at Virginia Tech, cross-listed in three departments from three different colleges. Course is designed for students to work with Virginia Tech Intellectual Properties (VTIP) patents or other innovations from around the VT and Blacksburg ecosystem. Course is designed to be scalable, sustainable, and to fit into multiple majors and minors through the governance process and was first offered in spring 2016: “Managing Technology Commercialization” (MGT / ENGE / IDS 4094).

Developed new cross-disciplinary undergraduate course at Virginia Tech specifically for the new living learning entrepreneurial community, Innovate, for new incoming students, 2013: “Entrepreneurial Residential Experience” (MGT 2984 then MGT 1984).

Developed new cross-disciplinary undergraduate course at Virginia Tech which became a key required course in the Management major and the Entrepreneurship minor, 2012-2013: “Cornerstones of Entrepreneurship and Innovation” (MGT 4984, then MGT 3064).

Contributed substantially to development of new Minor at Virginia Tech, 2012-2013: Minor in Entrepreneurship – New Venture Growth (ENVG) (university-wide)

Major revision to University of Miami undergraduate course, 2010, “Introduction to Entrepreneurship” (MGT 353).

Initiated MBA class feasibility projects, 2009, Univ. Miami Office of Technology Transfer

Created new MBA course at University of Miami, 2008, “Entrepreneurship” (MGT 625)

MEMBERSHIP IN ACADEMIC ORGANIZATIONS:

Academy of Management (AOM), Strategic Management Society (SMS), Academy of International Business (AIB), INFORMS, American Economic Association (AEA).

PROFESSIONAL EMPLOYMENT/CONSULTING EXPERIENCE/BOARD SERVICE/ENTREPRENEURSHIP:

Independent consultant to various entrepreneurs, startups and small to mid-sized entrepreneurial ventures both for profit and not-for profit organizations, 2005 – present.

General Machinery & Mfg. Co, Inc., Chicago, IL. Board of directors, member, 2002 – 2009. Specialized precision-machine, metal aircraft products manufacturing company. From board, led turn-around of 85+ year-old family business, facilitated and led management buyout and successful succession plan from 3rd to 4th generation family leadership.

Krizmark Incorporated, Los Angeles, CA. Co-founder and business consultant, 1991 – 2005. Consulting and venture initiation specializing in entrepreneurs up to mid-sized firms, and some very large. Launched own businesses and supported others through consulting and collaboration. Clients ranged from startups such as Scharffen Berger Chocolate, to growth ventures such as Ciao Bella Gelato, to divisions of larger public firms such as Cherokee Apparel and Hughes Aircraft.

Fruition Ventures LLC, Los Angeles, CA, 2000 – 2005. Co-founding member and managing partner of an angel investment group and incubator focused on technology startup ventures. Made investments and managed startups in new internet related technologies, secured patents and early stage funding, co-managed incubator space hosting entrepreneurs.

TwoPart Coffee, Los Angeles, CA. Co-founder and General Manager, 1991 – 1994. Started from scratch, grew to profitability, and successfully sold a coffee retail operation. Pioneered retail coffee market in Los Angeles, pre-Starbucks' explosion. Attracted private equity investor proposals for growth, decided to sell business.

Morgan Stanley & Company, Inc., New York, NY and Los Angeles, CA, 1989 – 1991. Investment banking analyst in corporate finance at leading Wall Street investment bank. In NYC, worked in corporate recapitalization group. In LA, worked with leading private equity and venture capital firms on portfolio company exits, among other large corporate clients.

Smith Barney, Harris Upham & Co., New York, NY, 1988. Mergers and acquisition analyst on buy side and sell side transactions and takeover defense. Firm underwent its own acquisition and much of the M&A department left for other firms.

Securities & Exchange Commission, Washington, D.C., 1987 (summer). Research Assistant working directly with the Chief Economist and other SEC economists.

Claremont Economics Institute, Claremont, CA, 1986 (summer). Research Assistant working directly with senior economists including the CEO/founder and President of firm.
